Ph.D., Assoc. Prof., Assoc. Prof. of ATM Dep. – T. Gabriellova,

Ph.D., Assoc. Prof., Assoc. Prof. of ATM Dep. – O. Sokolova,

Senior Teacher of ATM Dep. – A. Valko,

Assistant of ATM Dep. – K. Cherednichenko.

CONDITIONS OF PARTICIPATION IN THE CONFERENCE

To participate in the conference, until 10 November, 2022, send to an e-mail address koap@nau.edu.ua:

- application for participation;
- materials (abstracts) of the report.

The application and abstracts of the report should be sent in separate files and named as follows: name and surname_application, name and surname_thesis.

Please note that participation in the conference is free!

Thematic areas of the conference:

- problems and prospects for the development of air transportation and technology;
- development of airport activities;
- implementation of logistics technologies in air transportation processes;
- improvement of information support for air transportation;
- regulation of activities of air transport enterprises;
- problems and prospects of personnel training in the organization of air transportation;
- improving the interaction of modes of transport;
- rational organization of transport services and transport processes.
- ensuring the efficient functioning of transport systems.

Materials that have not been published before, in the amount of 1-5 pages, designed with the help of the MS Word editor, are accepted for publication. A5 sheet. Font Times New Roman, size –11, spacing - 1. Margins: top –2.0 cm, bottom –2.0 cm, left –1.5 cm, right –1.0 cm. Structure of materials design:

-UDC (in the upper left corner in bold);

-name (bold);

-*information about the author (s)* (placed on the right, in italics): surname, initials, academic degree, academic title, place of work, country - for each author;

- the main text of theses;

- bibliography (sources should be numbered according to the order of mention in the text, in accordance with current requirements; references to sources in the text are given in square brackets indicating the pages).

All drawings must be grouped as a single object. Page numbering is not performed. For formulas, use the built-in Word formula editor. If the materials are submitted in English, a translation into Ukrainian or Russian must be provided. **The Editorial Board retains the right to minor literary editing and correction of texts.**

The reports of the conference participants will be published in the **electronic collection of conference materials** and posted on the website of the Faculty of Transport, Management and Logistics of the National Aviation University.

Each author will be provided with a link to the collection of conference proceedings. **The number of co-authors** of the conference materials should **not exceed three people**.

According to the decision of the organizing committee, it is possible to publish articles in the scientific journal "Proceedings of the National Aviation University", section Transport Technologies, as well as in the scientific journal "Science-intensive technologies", section Transport Systems, which are included in the list of scientific professional publications for technical and economic sciences.

Requirements for articles can be found on the website of NAU: www.nau.edu.ua, section - science, professional publications (<https://nau.edu.ua/ua/menu/science/faxovidannya/>) (paragraphs 1 and 17). Volume of the article: 4-8 pages.

Organization of accommodation for conference participants at their expense.
